Dear Barbara and Steve,

I would like to
answer my thanks to you for the treatment
I received in your hospital in Krakow.

From my initial enquiries, when things
were explained to me in great detail, everything
was perfectly organised and the helpfulness
and consideration received was exemplary. I
can only compliment everybody involved and
no praise is too high for the hospital staff
and the patient co-ordinators.

I would not hesitate to recommend your
services to anybody in need of surgery: if
I can be of any help to you please don't
hesitate to get in touch.

Yours Sincerely,
John Hardy
