

CARD RECEIVED RECENTLY FROM FORMER PATIENT:

MRS M. FRANCIS FROM ELY, CAMBRIDGE ON 01.10.2004.

Dear Barbara and Stephen
Many thanks for the lovely
calendar. Much appreciated
Also thank you both for
my trip to Poland, for
looking after us so well
after the operation was over
I really got used to being
here and quite enjoyed it
The trip round the city
was lovely. What a beautiful
city. Wish we could have
stayed longer.
I am sure everyone in the

village here, thought I had go
absolutely crazy when I said
I was off to Poland, so
they were quite shocked
when I came home with
no crutches.

I have recommended your
service to one or two
people so you may get a
phone call, also I read
today the reporter from the
Local newspaper wanted to
talk to me about my trip
so you never know, we
might be famous
Please give my best regards
to everyone in Poland. They
all do a marvellous job
Thank you both again
M. Francis
